Period for Reply

A SHORTENED STATUTORY PERIOD FOR REPLY IS SET TO EXPIRE 3 MONTH(S) FROM THE MAILING DATE OF THIS COMMUNICATION.

- Extensions of time may be available under the provisions of 37 CFR 1.136(a). In no event, however, may a reply be timely filed after SIX (6) MONTHS from the mailing date of this communication.
- If the period for reply specified above is less than thirty (30) days, a reply within the statutory minimum of thirty (30) days will be considered timely.
- If NO period for reply is specified above, the maximum statutory period will apply and will expire SIX (6) MONTHS from the mailing date of this communication.
- Failure to reply within the set or extended period for reply will, by statute, cause the application to become ABANDONED (35 U.S.C. § 133). Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

DETAILED ACTION

1. This application has been examined.
2. Claims 1, 7, & 8 are presented for examination.

Response to Arguments

Applicant's arguments with respect to claims 1, 7, 8 have been considered but are moot in view of the new ground(s) of rejection.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

3. Claims 1, 7, & 8 rejected under 35 U.S.C. 102(e) as being anticipated by Schreiber et al (U.S. Patent Number 6,298,446).
4. In regards to claims 1, 7, & 8, Schreiber discloses contents obtained means for obtaining contents and rights information to the contents (col. 14 lines 15-22) [At step 426 the protection manager computer receives the image

information and protection status information, and at step 428 it displays this information within the user interface of the protection manager tool. Each folder name, web page file name and image file name is displayed in the user interface with a corresponding icon alongside that indicates its protection status.].

setting means for setting an corresponding to the right information out of the different forms of icons representative of the rights information (col. 12 lines 51-57) [a dark blue page icon is displayed alongside web pages all of whose referenced images are designated as protected, a light blue page icon is displayed alongside web pages some, but not all of whose referenced images are designated as protected, and a white page icon is displayed alongside web pages none of whose referenced images are designated as protected]; and

display means for displaying the icon set by the setting means (col. 12 lines 45-50) [an icon of a padlock is displayed alongside images that are designated as protected, whereas no icon is displayed alongside images that are designated as unprotected].

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
